¹	First-time homebuyer requirement applies to all borrowers & is evidenced by the fully executed Exhibit E, URLA, & credit report. If unable to confirm the borrower(s) is a first-time homebuyer from the Exhibit E, the URLA, or credit report, additional documentation may be required, such as: a) three years' federal tax returns / tax transcripts, b) rent verification(s), c) lender data integrity report (examples: Drive Report, FraudGuard, Loansafe). If the property is in a targeted area the first-time homebuyer requirement does not apply, and there may be higher income and sales price limits may apply, but the higher targeted area income limits do not apply if using the DPA or CCA Grant.
²	Conventional 1 st mortgage: When all borrower qualifying income exceeds Fannie Mae / Freddie Mac 80% AMI Limits an LLPA applies if Charter MI (or reduced MI) is used. The Charter (or reduced) MI LLPA amount varies depending on credit score & LTV. Refer to the webpages of Fannie Mae / Freddie Mac . Loan must also be within applicable Virginia Housing Income Limit.
³	See Program Guidelines for requirements when all borrowers do not have a credit score &/or one borrower with a credit score & one without a credit score. Note that Conventional always requires at least 1 borrower have a credit score.
⁴	DPA, CCA, & Community Heroes Grant(s) must be run in AUS as a GRANT; Plus Second must be run in AUS as Subordinate Financing.
⁵	Conventional 1 st mortgage: (a) If using Fannie Mae's DU: Community Lending Program must be "HFA Preferred." (b) If using Freddie Mac's LPA: Offering Identifier must be "HFA Advantage."
⁶	Tax Transcripts for Conventional 1 st mortgage: (a) If using Fannie Mae's DU: When <u>all</u> the borrower's income is validated by the DU validation service, tax transcripts are not required. However, if there are any data discrepancies then additional documentation or information may be required. Originating Lenders are expected to perform due diligence on every loan. (b) If using Freddie Mac's LPA: If <u>all</u> the borrower's income receives an income rep & warranty result of "Eligible" on the last Feedback Certificate, tax transcripts are not required. However, if there are any data discrepancies then additional documentation or information may be required. Originating Lenders are expected to perform due diligence on every loan.
⁷	The applicable insurer & guarantor may have more restrictive requirements for manually underwritten loans than when the loan is AUS approved, which may include, but are not limited to, specific HTI &/or DTI requirements & a minimum reserve requirement. The Originating Lender must ensure all of the more restrictive requirements for a manually underwritten loan are met per the applicable FHA / VA / RHS Handbook.
